The aim of their women's community is to raise awareness amongst women of their important status and their great responsibilities in the religious organisation, while focussing on their duties towards mankind as well as their contributions to the society in which they live and raise the future generation.

The key aim of the community in current turbulent times is to stand up against extremism and promote peace bearing this in mind they will be holding an interfaith event on Sunday 12th November 2017 specifically for the Jewish and Muslim community. The Ahmadiyya Muslim Association members have a wonderful relationship with members of the Jewish communities in Israel and we would like to develop strong community links here too. The theme of their interfaith event is "Women of Faith Standing Together."

The event is specifically for women from the Jewish and Muslim communities to have the opportunity to discuss, spend more time with each other and gain more knowledge about each other's teachings to promote peace on earth which is a great need at this time in the world.

All are welcome, young and old. Both Kosher and Halal refreshments will be provided.

Our common aim is to promote peace and harmony and community cohesiveness, I hope you find what we're trying to do here exciting we're all pretty excited and looking forward to meeting you all.
