A NEW RIDE SHAREING MINIBUS SERVICE IN EALING

London Transport has just launched a 12 month trial of a new ride sharing minibus service in Ealing. It operates across the Borough of Ealing, from Southall in the west, to the North Circular, and from the A40 down to Boston Manor at the borough boundary in the south. The service will match you with customers who are travelling on similar journeys, and you can book when you're ready to travel and track your journey in real-time using the app. All vehicles have air conditioning, a guaranteed seat and space, and USB charging points.

Services will operate between 06:00 and 01:00 Monday to Sunday except Christmas Day, and the fare will be £3.50 per trip. Oyster and contactless cards are not accepted on the service.

Freedom Pass holders and members of the English National Concessionary Travel Scheme can travel for free.
